

Client Charges for visiting care

Minimum visit 30minutes to ensure continuity and highest quality care

Monday to Friday £26.00 per hour

Saturday and Sunday £31.35 per hour

Public Holiday £52.00 per hour

Double up calls are charged separately

Client Charges for Overnight Care

Sleeping nights: When a carer sleeps in at the home of a client and is present between 10pm and 7 am the following fee applies.

Monday to Thursday £155.00

Friday to Sunday £199.58

Public Holiday £310.00

If the carer is called during the night on more than one occasion or for longer than an hour, an additional £26.00 per hour is charged.

Double up calls are charged separately

If you require an overnight carer to stay awake during night this is classed as waking night and the hourly rate will apply.

Client Charges for Live in Care

A live-in carer typically provides care for up to 12 hours a day, with scheduled 2 hours breaks and overnight rest periods.

From £2020 per week depending on the level of care and support required.

Please note: Additional charges for length of day and double care may apply and are assessed as individual cases.

Live in care charges on all public Holiday will be double the daily rate.

Client Charges for respite Care

Starting £35.00 per hour depending on the care and support required

A minimum period discussed with client as per their need.

If staff uses their car either with a client or on their behalf, then mileage will be charged at 65p per mile.

Cancellation period applies, see Terms & Conditions
