

## Pricing Schedule

We are, therefore, clarifying our pricing model and fees upfront.  
Our fees are inclusive of your care worker's time and costs of getting to and from you.

### Our staff:

- Are all appropriately trained, insured and supported.
- Have gone through a rigorous recruitment process to ensure that they will not pose avoidable risks to our clients.
- All are paid above the average market rate and receive benefits such as paid holiday,
- entitlement to a contributory pension scheme, paid training and 24/7 counselling and emotional support.

We take pride in our service, are committed to understanding your needs and go a long way in getting things right the first time. However, we are always prepared to listen to our clients/their family members and take immediate action if they feel there are things we could improve.
