

Neeryville Care – Price Guide

Providing exceptional care in the comfort of your own home. Our services are tailored to each individual, ensuring dignity, independence, and quality of life.

Live-in Care

Our live-in care service provides a dedicated carer who lives in your home, offering round-the-clock support tailored to your needs. This includes personal care, companionship, assistance with daily routines, and emotional support.

- Standard Live-in Care (single person): From £1,300 – £1,550 per week

For clients needing general support, companionship, light household help, meal preparation, community support and personal care assistance.

- Specialist Live-in Care (single person, complex needs such as dementia, Parkinsons, Autism- level 2 & 3, or mobility challenges and others): From £1, 550 – £1,800 per week

Delivered by carers with specialist training in dementia, Parkinson's, post-hospital recovery, or other complex needs.

- Couples Live-in Care: From £1,800 – £2,100 per week

Supporting both partners with shared daily routines, personal care, and household management.

Additional costs may apply for waking nights, advanced medical tasks, or high-dependency support.

Domiciliary Care (Hourly Visits)

Our domiciliary care service provides regular home visits from our trained carers, helping you maintain independence while staying safe and comfortable.

- 1-hour visit: £28 for week days
- Weekends: £30
- Public Holidays: £38

Additional Services

- Overnight Care (Sleeping night): From £210 per night
- Overnight Care (Waking night): From £250 per night
- Specialist equipment (if required): Quoted individually
