

Care That Fits Around You

Every care package is built around the individual — their routine, their needs. Our pricing reflects the level of support required, so you receive **the right care, without paying for anything unnecessary.**

Live-in Care

Live-in care from £190 per day

One dedicated carer, living at home

Standard live-in care

- Personal care & daily routines
- Companionship & household help
- Community support

Specialist live-in care

- Dementia, Parkinson's, Autism support
- Post-hospital & complex needs

Couples live-in care

- Care for both partners
- Shared daily support, one home

Final costs depend on the level of care required and will always be clearly discussed with you before any care begins.

Domiciliary Care · Hourly Visits

✓ **Hourly visiting care — from £28 per hour**

*“For many families, **live-in care is a reassuring and often more cost-effective alternative to residential care** — while allowing your loved one to remain in the comfort of their own home.”*
