Overall Experience ★★★★★

I would give this 10 stars if I could!

I can not recommend Good Oaks care enough. Not only has the live in carer provided support for my mum. She has got her into an excellent routine, they laugh all the time together and mum has gained a new companion. The peace of mind that it has given our family is huge to us. Mum is looked after, safe and happy.

Two carers are utterly amazing at their jobs. They have supported us through this tricky journey and made it that little bit easier with their warmth, professionalism and caring natures. There is so much that goes on behind the scenes and the care would not run so smoothly if it weren't for you guys and your teams. Thank you, thank you, thank you.

Overall Experience ★★★★★☆

It's been just 5 weeks since GoodOaks starting caring for my mother, and I can honestly say that the Managers and Carers couldn't be more accommodating and caring. All the staff are very friendly and nothing is too much trouble. They have matched carers to suit mum and she seems very happy.

Good reports from parents, helping with their situation.

The carer listens to the issues and acts accordingly.

Carer having a car is good, allowing freedom to go shopping and have a break from being at home.
