At MyChoice Homecare, we carefully review our pricing to ensure we can continue to deliver safe, reliable, and high-quality care while fairly supporting our dedicated care team. Any adjustments we make are considered and measured, allowing us to maintain consistency, continuity, and high standards for our clients.

Even with our updated pricing, we remain competitive within County Durham and continue to sit significantly below the rates charged by many other local providers. Our focus is not on being the cheapest, but on offering genuine value, dependable care, and a service where both clients and carers are respected and supported.
