Funding Fees explained:

Fees are based on the level of care a person requires.

An assessment of the person's care needs is completed to ensure the care package put in place meets the person's identified needs in a safe and timely manner.

Domiciliary Care Services.

We offer competitive rates.

We offer so much more than help with routine chores. Carers provide companionship at home or on trips, even if it is food shopping or days out. They are friendly, efficient, and professional and provide fun and encouragement. Seeing a kind and familiar face is so important for everyone receiving care.

Live-in-Care

Fees:

Because live-in care is always tailored to a person's specific needs, the costs can be very different. The final price for your live-in care will be confirmed once our care manager has visited you in person to assess your care and support needs fully.

OUR LIVE-IN CARE OPTIONS:

- Standard live-in care (for individuals or couples)
- Advanced live-in care (for individuals or couples with complex needs)
- Night Support
- Live-in-care can also be provided in the Short Term: where urgent care is required for a short period OR Long-Term, depending on your situation.
