<i>A Sleep-in is where a Care professional sleeps at a client's house. This arrangement ensures that clients have reassurance of support should any needs arise during the night. In line with best practice, the Care Professional is entitled to rest and sleep in the first instance, and will respond promptly if assistance is required. Please note that you must provide suitable accommodation for the Care Professional to sleep including a bed.</i>	
<i>A Sleep-in shift lasts for 10 hours, at times agreed with you. Your Care Professional will be resting during the night, but if they are called upon three or more times, the shift will be treated as a Waking Night to ensure you receive the right level of support.</i>	
Waking Night	£230.00 per shift
Waking Night Bank Holiday	£260.00 per shift
<i>A Waking Night is where a client requires prolonged and/or frequent support during the night and the Care Professional is awake and working. A Waking Night shift is a 10-hour shift to start and finish at times agreed with you.</i>	
Live-In Care Services	Standard £200.00 per day
	Complex £230.00 per day
	Couples £240.00 per day
Bank holidays, public holidays and other special days (i.e., Peak Days)*	
ALL prices on Peak Days are charged at a rate of double the normal hourly/day rate	
By way of worked example, an hour of Companionship on a weekday or a bank holiday (not out of hours) would cost £46.00 , not £23.00.
