

SOUTHERN CARE

YOUR NEEDS - OUR PRIORITY

BROCHURE

OUR MISSION
To deliver high-quality service which ensures continuity of care, privacy, dignity, and respect of individual needs without compromising standard of care, welfare and safety of everyone involved.

“YOUR NEEDS – OUR PRIORITY”

About us:

Southern Care was founded in 2020 primarily to address the rising demand of high quality – care. Our staff are handpicked individuals who have a great passion for care. Southern Care management team includes a highly skilled qualified nurse who has practiced in various health and social care roles for 18years to date.

Our Aim:

We aim to amaze our service users through our pristine customer care and our “passionate to care” attitude to ensure our service users receive high quality service. At its core, Southern Care is a service company. At Southern Care we focus on providing the best possible service experience for our service users.

The values we live by:

1. Services that build and maintain Trust
2. Communicate Openly and Honestly
3. Cultivate a Positive Team Spirit
4. Embrace and Lead Change
5. Be Courageous
6. Be Passionate
7. Continuous Improvement

We seek to inspire the wider community by working in a manner that displays dedication and diligence to all our service users and stakeholders of different hierarchy . showing that not only the people in care are of high priority but also all other stakeholders involved in the care of that user.

Why Choose Us

Our Mission

At Southern Care, we are a mission driven company. Our Priority is the needs of our service users. we provide care services that are safe, effective and delivering quality, person-centred values to all service users and their families . We know we can only achieve this through extreme customer focus.

Our Values

Our values are more than just words, they are a way of life. We prioritise integrity as it is vital to connecting with service users. We value diversity to help our staff stay open-minded hence treat service users with standards that meet morals and ethics. we work to ensure that our culture remains healthy and strong.

Highly Trained Team

We pride ourselves in supplying a highly competent staff. We ensure all staff continue to improve their knowledge and we fund their training to ease the process. We also intentionally hand-pick team members that also believe and live the values of the company/industry.

We Make It Easy To Contact Us

We want to hear from our service users. We love it when you call us. If any part of our service falls short of your expectations, we want you to tell us so we can correct it as quickly as possible. So, we make sure our contact details are easily accessible 24/7.

SUPPORTED LIVING

We provide a vast of services (according to need) to young adults who require support within the community. We aim to equip them with skills to be able to live independent lives where possible.

NURSING AND RESIDENTIAL

Whether you're looking for long term or temporary cover , you are assured of receiving hand-picked professional, reliable and highly skilled nurses and carers.

DOMICILARY CARE

We are available to provide home care services 24 hours a day, 7 days a week at a time convenient to you. We work in a manner that would maintain dignity and privacy.

LIVING-IN CARE

We provide comprehensive and professional care to you from the comfort of your own home . We pride ourselves in providing quality, person centred support to suit individual needs.

YOUR NEEDS

OUR PRIORITY

Clinical Leadership

Clinical expertise is central to all the services we offer. Our registered manager is a nurse who has practiced for 18 years in various nursing roles. She has great expertise in providing clinical and operational leadership within the company. As the registered manager, she is responsible for ensuring we provide care services that are safe, effective and delivering quality person-centred values to all service user and their families, whilst supporting our professional partners.
