- Bank Holidays, Christmas Day, Boxing Day, and New Year's Day will be charged at time and a half per visit. All domestic, shopping, and social visits that fall on Christmas, Boxing or New Years Day may be moved to another day in that week.
- Mileage charges – We DO NOT charge you mileage for visits to you at home as most Care providers do, but we do charge a small petrol allowance for shopping visits, outings, transportation to and from appointments etc at £0.40p per mile.
- For double handed visits each Support worker is charged for at the above rates: - for example, a 30-minute visit at the weekend would cost £38.00 (£19.00 for each Support worker).
- We have a minimum charge of 30 minutes for personal care visits and 60 minutes for social, domestic, practical care and emergency callouts. Visits that over-run will be reflected in invoicing per minute.
- Please note-We do not supply cleaning products but can purchase them on your behalf if required.
- Waking nights are charged at Personal/Specialist Care rates and Sleep-Ins at Social Care rates. Please note that if a Support worker has disturbed sleep on more than two occasions on a Sleep- in, then a Waking night rate will be charged. Please ask us about our reduced overnight rates for 3 evenings or more per week.
