

Our Care Services & Pricing

Compassionate support, tailored around you and your loved ones.

At the heart of our service is a commitment to delivering high-quality, person-centred care in the comfort of your own home. Every care plan is thoughtfully designed to meet individual needs, ensuring dignity, independence, and peace of mind. Here's an outline of our visiting care fees. Your quote will be tailored to you once you've spoken to your local care team.

Live-In Care

The cost of live-in care depends on the level of support that you or your loved one needs.

Starting from £2,000 per week

A dedicated carer lives in your home, providing continuous support and companionship.

Final pricing is tailored following a comprehensive assessment of care needs.

Flexible Home Care Visits

We offer flexible visit durations to suit your daily routine:

- **£35.00 per hour**
- **£27.50 per 45 minutes**
- **£22.25 per 30 minutes**

Whether you need occasional support or regular daily visits, our care is designed around you.

24-Hour Care

Price from £345 per day

Round-the-clock care delivered by a team of professional carers.

Costs vary depending on the level and complexity of care required.

Sleep-In Care

£200 per night

A carer stays overnight in your home, providing reassurance and assistance if needed. Your overnight care is fully personalised to your needs, and our carers will

stay with you for approximately 10 hours. Timings will be discussed on assessment to see what suits best.

Overnight care will benefit you immensely, giving you and your loved ones the reassurance and support you need during the night.

Waking Night Care

£30.00 per hour

For individuals who require active, attentive support throughout the night.

Respite Care

Our prices vary depending on your needs.

Short-term care designed to give family carers a well-earned break.

Flexible and tailored to suit your needs and schedule.
