

- Please note that all funded residents are required to pay a contribution.

**Care Package:**

This includes planning and delivery, person-centered care plan, all meals, snacks and drinks, access to the full range of in-home activities, utilities such as water/heating/electric, all accommodation costs, housekeeping and laundry service (excluding dry-cleaning), 24 hour staffing to meet their needs.

**Respite Care:**

We can offer day rates for respite care on request, however, due to the costs incurred in preparing a room and the plan of care for arrival, the minimum term of respite care is one week. There is also a £75 admin fee. If your stay is less than one week, you will be required to pay our charges for one week.

((these prices are only a guideline, please contact White Ash Brook to find out the exact price for your requirements))
