

Home Instead Basingstoke pricing structure for different types of care services,

This will be adjusted in the New Year.

- **£39.50/hour for visiting care**

This is the hourly rate for visit clients at home for short-term or scheduled assistance (e.g., personal care, companionship, or help with daily tasks). We ask for a minimum of 4 hours weekly.

- **£27.00/hour for ad hoc sleeping nights (less for regular arrangement)**

This applies overnight but is not expected to be awake throughout the night unless needed. discounts are available for ongoing or scheduled overnight care.

- **£260 per day (£1820 per week) for standard live-in care for a single client**

This is Live in care professional in the client's home, providing continuous support. The weekly figure shows the cost for seven days of care.

- **£280 per day (£1960 per week) for standard live-in care for a couple**

Similar to the above, but for two people in the same household, which requires more attention and resources.
