'Everyone Matters'™

Introducing you to Avante Home Care

Avante Care & Support is a not-for-profit organisation delivering high-quality home care services through three dedicated local branches. Our Bexley branch supports individuals across the London Borough of Bexley. Our Faversham branch provides care throughout Swale and Faversham in Kent. Our West Malling branch serves the communities of Allington, East Barming, West and East Malling, Snodland, and Kings Hill.

Since we do not have shareholders, any surplus we generate can be reinvested into our services. Avante's workforce is caring and compassionate, committed to providing high standards of personalised care.

At the core of our home care service is our philosophy of care, the Eden Alternative where our Faversham and Bexley services have been awarded Silver. Our staff encourage social interaction, engagement, and work to eradicate loneliness and boredom.

What are the types of Care we offer?

1. **Personal Care** - Individuals living with limited mobility or ill health may struggle to manage their personal care. Our care staff will give you any help you need whilst maintaining your dignity at all times.
2. **Companionship and Social Support** - If you would like some company, whether at home, going out for a coffee or browsing around the shops, we would love to help. We can also accompany you to appointments, helping you to be more independent and improve your quality of life.
3. **Night Care** - With our overnight support service, you can have peace of mind knowing that you are safe and cared for. Depending on the level of care required, you can choose between sleep-in or waking nights.
4. **Shopping and Housekeeping** - Whether you need assistance with ordering and receiving an online grocery delivery, putting the items away, or having someone shop on your behalf, we are here to help. We can also support you with housekeeping tasks including vacuuming, polishing, and cleaning.
