Price List & Payment Methods – Milton Keynes

Clarity Homecare in Milton Keynes provides high quality personalised home care and support to keep you safe and comfortable in your own home.

Completely built around your needs, routines and your preferences, home care is fast becoming the preferred option for many people as an alternative to residential or nursing home care.

Clarity Homecare recruits, trains, and employs many carers local to you, who are closely managed and monitored to ensure the highest standard of care. Our services are regulated by and inspected by the Care Quality Commission, whose mandate is to raise standards and stamp out bad practice, making social care the highest standard for the people receiving support. Our aim is to provide the continuity, reliability and support to enable our customers to continue to live in their own homes and retain their independence.
