About Elite Care Solutions

Elite Care Solutions Ltd is a Registered Domiciliary Care Service based in Scunthorpe, North Lincolnshire.

We provide high quality support services to adults and children with disabilities who either contact us direct or are referred to us by professionals involved with them.

Elite Care Solutions Ltd employs staff who care, not because they are paid to care but because they do care.

We aim to meet individuals assessed needs, which may entail practical or personal support for individuals who live in their own homes.

We are able to make appointments to meet the needs of the family members who may wish to be involved with the planning of individuals care packages.

Service users may have the opportunity to meet their support workers before services commence as we believe that this is an integral part of the support planning process.

Elite Care Solutions Ltd have highly motivated staff that has relevant training and experience to undertake their duties and support required.

We are committed to providing a 24 hour service which is flexible as we believe the service users needs comes first.

“Care that you would give”

Elite Care Solutions Ltd believes individuals and their families are experts of their own circumstances. Our role is to provide individualized personal support to the service user enabling them to fulfill their expectations and aspirations, empowering them to make choices which affect them.

The service user is central to the planning process of any care they require and we aim to promote and reflect their values in the support plan.
